

KidZone Wellness Policy

We ask that children stay with their parents when any of the following have occurred within the last 48 hours:

- Discharge in or around the eyes
- Excessive coughing
- Unusual rash
- Any communicable disease
- If the child is being treated with an antibiotic, s/he should have received treatment for the specific illness at least 24 hours prior to coming into KidZone.

COVID-19

We ask that if any child or adult has not tested for COVID and has had any of the following COVID symptoms within the last 7 days (This Includes Volunteers) that they refrain from entering KidZone:

- Fever
- Cough
- Sore Throat
- New change in taste or smell
- Difficulty breathing
- Runny nose/Congestion
- Nausea/Vomiting/Diarrhea

We ask that if any child or adult has tested POSITIVE for COVID, they need to follow newest CDC guidelines and not return to KidZone until:

- They have isolated for 5 days from positive test result.

OR

- Symptoms are resolving **and** fever has been gone for at least 24 hours **without fever reducing medication.**

***They should also wear a mask for at least 10 days from their positive test whether they were symptomatic or not.*
