

## [New Richmond Chamber of Commerce and Visitors' Bureau](#)

New Richmond Chamber of Commerce and Visitors' Bureau is the economic engine which promotes the community as a great place to start, expand or relocate a business.

Our 60-year-old organization has a rich history representing the interests of our diverse business community — which has 450 members — one of the largest in the state for a community with a population under 10,000 residents.

Whether it's manufacturers or small upstarts, New Richmond is a fabulous city with a nationally-recognized K12 school system, an award-winning technical college (WITC), a highly acclaimed regional hospital, the state's second busiest general aviation airport (Jimmy Fallon, Terry Bradshaw, Sheryl Crow among those who landed here for the Super Bowl in Minneapolis), a nationally recognized distillery, and an impressive array of businesses in the fastest growing city in the fastest growing county in Wisconsin.

It's ideally located at the intersection of two state highways close to I-94 — where 80 percent of Wisconsin's commerce travels on a daily basis

What our *new* residents quickly learn about New Richmond is that it offers a wonderful quality of life in a safe, smaller community with *easy access to all the amenities available* in the Twin Cities. Businesses looking to relocate, expand, or start a business here have several appealing factors to help them prosper, including a well-educated workforce and an efficient transportation system.

Our chamber offers members many opportunities to invest in their community or grow their business through networking, banquets, golf outings and collaborative events with neighboring chambers. The chamber also spearheads three major community events: the Park Art Fair the first full weekend in June, the Fun Fest community celebration in mid-July, and a Hometown Holiday Parade in early December— all of which attract thousands of visitors to New Richmond.

You can learn more about the chamber and our events by following and liking us on Facebook or by visiting [www.newrichmondchamber.com](http://www.newrichmondchamber.com). You can also stop by our downtown office at 245 S. Knowles Ave. in New Richmond.

We encourage you to join our chamber and enjoy this community's best asset: our people. Friendly, hard-working and community-focused, they are the strength of New Richmond and the chamber provides the best opportunities to meet them.
