

Summer Covenant Community Gathering
For Faith Community Church
June 4th, 2023 | 5-7PM
Moving Forward

WELCOME: Randy welcomed everyone and explained the importance of being “known” .

NEW COVENANT INTRODUCTIONS: Randy invited the new covenant members to come up front. We welcomed them and he encouraged everyone to take some time to get to know them.

TABLE PRAYER: Randy

MEAL & FELLOWSHIP: Everyone

CHILDREN'S MINISTRY REVIEW: Bobbi - The year in review & looking forward...
Bobbi has officially been in her role for 3 years and is celebrating with a root canal! :) They are averaging around 90 kids right now/Sunday and require around 30 volunteers. They are moving full steam ahead this summer with the trunk sale and VBS. Bobbi asked for everyone to consider signing up to serve!

UPDATE FROM BEN: Ben - The year in review & looking forward...
Disciple6 was a great success. The kids were distraught that it was over and they not only faithfully attended all year, they were retaining information! Brown year is coming up next and there will be opportunities to help.

Biblical Counseling has 2 completed and 5 in training to be fully qualified. We need many people so if interested please contact Ben.

Faith Training went so well. There were almost 90 people who attended the last of the 4 Sunday classes, and they also offered other classes such as Romans, Life of David, and Stus training! The new schedule is set and they are looking for people who are equipped to teach the classes that will be offered on Sundays, Mondays and Tuesday evenings this Fall!

Missions: Ben is excited! It is building momentum and our church is being obedient to the call of making disciples. We are currently working with Radius, Converge, TLI, Operation Christmas Child and more with hopes of others in the near future. Ben encouraged everyone to consider the way God is calling you to ONE ministry here at FCC and pour into it with all your heart and to HIS glory.

UPDATE FROM CHUCK Chuck - The year in review & looking forward...
The executive role is different than what he is used to but he is plugging away. The grounds crew is in full force, Ruhl's are going to organize a landscape day. Rubys uses about 65 volunteers every month and is going well.

Finances: Giving is down from what we budgeted but so is spending. We did just accomplish some bigger projects around here including the blacktop on the parking lot, painting the building, cleaning carpets and chairs. The AC units will need to be replaced soon.

ELDER UPDATE;

Introduction of the new summer interim pastor Dave Mobley: Pastor Dave Mobley will be filling in for the summer months (and maybe a little beyond). He is grateful to be here and offered to be a shepherd for us all in these coming months.

New Elder Intern: Bryan Stangl

It was announced that Bryan Stangle was going to be the new elder to help grow the elder council. The members are encouraged to observe and speak into his life, and invited us to ask questions.

They mentioned they have been in a hard season for a while now, but they are excited for the future, and that God is on the move and He is opening a new chapter here at FCC.

Lead Pastor Search Team is back at work. The new company - Chemistry Staffing - we are using has many more resources and staff. They had a zoom meeting this week and are excited to get started. Matt Tuintra has been hard at work and they were going to launch on Tuesday. They are hopeful for a new pastor by Aug/Sep. They elders mentioned that the gentlemen who started the company are still very active in its operations and doing the work.

Steve Langer and the church family discussed a recent letter that was sent out to a previous Covenant Member List. Several people stood up to speak and shared their thoughts and concerns and encouragement.

Moving Forward: Ken Nabi

Ken Nabi came from converge to talk to us. He stated he hopes we can have a Vision Driven Mission and be unified around that. He will be active in the new pastor search process, and encouraged us and let us know that we are on Converge's prayer list.

GUIDED PRAYER: Peter Bergeson gave everyone a hand out of passages to read through, and then asked us to spend some time in prayer as a table. He closed us with prayer.

CLEAN-UP: Thank you to everyone for pitching in and helping get our sanctuary set up!
